Is there any food you dislike?

What kind of new food would you like to try?

Who normally does the cooking in your home?

In general, do you prefer eating out or eating at home?

38-Pets and animals

What's your favourite animal?

Where do you prefer to keep your pet, indoors or outdoors?

Did you have any pets when you were a child?

What is the most popular animal in China?

Part1 新题

39-Mirrors

Do you like looking at yourself in the mirror?

How often do you look at yourself in the mirror?

Have you ever bought a mirror?

Do you usually take a mirror with you?

Would you use mirrors to decorate your room?

40-Teachers

Do you have a favorite teacher?

Do you want to be a teacher in the future?

Do you have a teacher from your past that you still remember?

Are you still in touch with your primary school teachers?

In what way has your favorite teacher helped you?

41-Social media

Have you ever posted anything on social media?

When did you start using social media?

Do you think you spend too much time on social media?

Do your friends use social media?

What do people often do on social media?

42-Dream and ambition

What was your childhood dream?

Are you the kind of person who sticks to dreams?

What is your dream job?

Do you think you are an ambitious person?

43-Tidiness

Do you like to keep things tidy?

Did you use to keep your room tidy as a child?

Do you think tidiness is important in the workplace?

Have you ever felt annoyed when someone else made a mess?

44-Music

Do you prefer sad or happy music?

Does happy music make you feel more excited?

What kind of music do you like to listen to?

Have you ever learned to play a musical instrument?

Do you like to listen to music when you study or work?

45-Headphones

Do you use headphones?

What types of headphones do you use?

When do you use headphones?

On what occasions would you not use headphones?

46-Jokes and comedies

Are you good at telling jokes?

Do your friends like to tell jokes?

Do you like watching comedies?

Have you ever watched a live comedy show?

47-Clothes

Do you spend a lot of money on clothes?

Where do you usually buy your clothes?

Do you try clothes on before you buy them?

Do you prefer casual clothes or smart clothes?

Do you follow fashion trends?

What do you do with old clothes you don't wear anymore?

48-Public gardens or parks

Do you often go to a park or a public garden?

Did you like going to parks as a child?

Are there many parks or public gardens where you live (or, in your hometown)?

Would you like to see more parks in your city?

Are there any parks you want to go to in the future?

Do you think parks and public gardens are important to a city?

49-Outer space and stars

Have you ever learnt about outer space and stars?

Are you interested in films about outer space and stars?

Do you want to know more about outer space?

Do you want to go into outer space in the future?

50-Shopping

Do you like shopping?

Do you compare prices when you shop? Why?

Is it difficult for you to make choices when you shop?

Do you think expensive products are always better than cheaper ones?

51-Science

Do you like science?

When did you start to learn about science?

Which science subject is interesting to you?

What kinds of interesting things have you done with science?

Do you like watching science TV programs?
Do Chinese people often visit science museums?

52-Watch

Do you wear a watch?
Have you ever received a watch as a gift?
Why do some people wear expensive watches?
Do you think it is important to wear a watch? Why?

53-Websites

What kinds of websites do you often visit?
What is your favourite website?
Are there any changes to the websites you often visit?
What kinds of websites are popular in your country?

54-Cars

Did you enjoy traveling by car when you were a kid?
What types of cars do you like?
Do you prefer to be a driver or a passenger?
What do you usually do when there is a traffic jam?
Do you think car colours are important?

55-Being bored

Do you often feel bored?
When would you feel bored?
What do you do when you feel bored?
Do you think childhood is more boring than adulthood?

56-History

Do you like history?
Have you ever been to a historical museum?
Did you like history when you were young?
Do you think learning history is important? Why?
Do you prefer learning about world history or the history of your own country?

57-Films

Do you like watching films?

How often do you watch films?

Do you prefer to watch films at home or in the cinema?

What kinds of films do you like?

What films did you like when you were a child?

58-Old buildings

Do you like to visit old buildings?

Have you ever seen any old buildings in your city?

Do you think old buildings are important to a city? Why?

Have you ever lived in an old building?

Do old buildings attract tourists to a city?

Do you think governments should spend money on preserving old buildings?

59-Evening time

Do you like the morning or evening?

What do you usually do in the evening?

What did you do in the evening when you were little?

Are there any differences between what you do in the evening now and what you did in the past?

Do you spend your evenings doing the same things on weekdays and weekends?

How do people in your country usually spend their evenings?

Part 2 & 3 Topics

Part2 & 3 保留题

人物

1-Describe one of your friends who learned a skill from someone (not a teacher)

You should say

Who he/she is

What skill he/she learned

How he/she learned

And explain whether it would be easier to learn from a teacher

Part3

What are the main differences between learning from a formal teacher and learning from someone like a friend or family member?

In your opinion, what kinds of skills are best learned informally, outside of a classroom setting?

Is it necessary to continue learning after finishing formal education?

Should teachers make learning in their classes fun?

What kinds of skills are people often interested in learning?

Is it beneficial for older adults to learn new skills?

Why might someone be motivated to learn a skill that is not directly useful for their job or studies?

What are the potential drawbacks or risks of learning solely from non-professionals (e.g., friends, online influencers)?

2-Describe a person who solved a problem in a smart way

You should say

Who this person is

What the problem was

How he/she solved it

And explain why you think he/she did it in a smart way

Part3

What are the qualities of a person who can solve problems in smart ways?
Do you think smart problem-solving is an innate talent or a skill that can be learned?
Do you think children are born smart, or do they learn to become smart?
How can schools better teach students to solve problems creatively, not just memorize answers?
In what professions is the ability to solve problems in smart ways most valued?
What are some common but ineffective ways people try to solve problems?
Why are some people well-rounded, while others are only good at one thing?
Why does modern society require all kinds of talents?
Do you think people from different cultures approach problem-solving in different ways?
With the internet providing instant answers, are people today becoming better or worse at solving complex problems on their own?

3-Describe a person who encouraged you to protect the nature

You should say

Who he/she is

How he/she encouraged you

What he/she encouraged you to do

And explain how you feel about this person

Part3

How can individuals, beyond this person you described, effectively raise others' awareness about environmental protection?
Why do some people ignore environmental issues even when they are well-informed about them?
At what age should environmental education begin, and why?
Whose responsibility is it to teach children about protecting nature: parents, schools, or the government?
How effective are social media campaigns in encouraging people to protect the environment?
How can individuals put pressure on companies or governments to adopt more environmentally friendly practices?

4-Describe a child you know who likes drawing very much

You should say

How you knew him/her

What he/she is like

How often he/she draws

And explain why you think he/she likes drawing

Part3

What is the right age for a child to learn drawing?

Why do most children draw more often than adults do?

Why do some people visit galleries or museums instead of viewing artworks online?

Do you think galleries and museums should be free of charge?

How do artworks inspire people?

5-Describe a family member who you are proud of

You should say

Who this person is

How often you spend time together

What he/she does that makes you feel proud

And explain why you are proud of him/her

Part3

What would children do to make their parents proud?

If a person always tries to choose a career just to make their parents proud, might this cause any problems for them later on?

Is it necessary for a family member to have big achievements for us to feel proud of them?

In your opinion, what kinds of things typically make people feel proud of their fathers, compared to what makes them proud of their mothers?

Do you think feeling proud of a family member puts pressure on that person? Why or why not?

Should parents or schools actively teach children to be proud of their family background?

A lot of people now share stories about their families on social media. Do you think this public way of showing pride is a good thing?

How have the qualities that make people proud of their family members

changed over time?

Looking ahead, what do you imagine parents might be most proud of their children for in the future?

6-Describe a successful sportsperson you admire

You should say

Who he/she is

How you know about him/her

What achievement he/she has made

And explain why you admire him/her

Part 3

What are the qualities that make a sportsperson successful?

Do you think famous sportspersons are good role models for children?

Do you think professional sportspersons are paid too much?

What kind of pressure do professional athletes face?

Should parents encourage their children to participate in sports? Why?

What are the benefits of playing sports on children's development?

Do you think it's necessary for everyone to learn a sport?

How has commercial sponsorship affected sports?

Why are some sports more popular than others?

What are the benefits of hosting major international sporting events like the Olympics?

7-Describe a popular person you know

You should say

Who he/she is

How you know about him/her

What kind of person he or she is

And explain why you think this person is popular

Part 3

What kinds of people are most popular in your country?

What qualities does a person need to have to become popular?

Why are some famous people popular for only a short time, while others remain popular for a long time?

What kind of influence can famous people have on society?

Do you think celebrities have a responsibility to be good role models? Why?

How does the popularity of a person affect their private life?

Why are young people so influenced by famous people?

How do social media platforms like Douyin/Weibo change the way people become famous?

Is it easier to become famous today than it was in the past?

Do you think the media pays too much attention to famous people?

Do the types of people who are popular change over time?

What do you think will be the most important factor for popularity in the future?

Do you think children's idols today are different from those in the past?

8-Describe a creative person (e.g. an artist, a musician, etc.) you admire

You should say

Who he/she is

How you knew him/her

What his/her greatest achievement is

And explain why you think he/she is creative

Part 3

Why do you think some people are more creative than others?

Is creativity a natural talent, or can it be learned?

How important is creativity for the development of a society?

Do you think people are less creative now than they were in the past?

How can companies encourage creativity among their employees?
Do you think creative people are more valuable to a company? Why?
Should the government provide funding for artistic projects?
How has the internet influenced creativity and the arts?
How can parents help to develop their children's creativity?
What kinds of activities in school can help children to be more creative?
What are the benefits of encouraging children to be creative?

9-Describe a friend of yours who loves to sing

You should say

Who he/she is

How you knew him/her

What kind of songs he/she likes to sing

And explain why he/she likes to sing

Part 3

Do you think the types of music young people like today are different from what their parents liked? (Why?)

How important do you think it is for schools to include music education in their curriculum?

How has technology changed the way people enjoy music?

Why do you think people go to live concerts or music festivals when they can listen to music at home?

Is it important to preserve traditional music? Why?

Do you think singing is a natural talent or can it be taught?

What are the benefits of learning to play a musical instrument or how to sing for a person's development?

Do you think AI will replace human singers or musicians in the future?

10-Describe a good friend who is important to you

You should say

Who he/she is

How/where you got to know him/her

How long you have known each other

And explain why he/she is important to you

Part3

What do you think are the most important qualities of a good friend?

Do you think it's easier to make friends now than it was in the past?

Is friendship important to people's lives? Why?

How do people usually maintain a good friendship?

Why do some friendships last longer than others?

What are some common reasons that friendships end?

Is there a difference between the friends you make in childhood and those you make as an adult?

Do you think people need to have a large circle of friends?

Have the ways of making friends changed in recent years?

11-Describe a person you know who runs a family business

You should say

Who he/she is

What the business is

What products it sells

And explain what you have learned from him/her

Part3

What are the advantages of running a family business?

What are some challenges or disadvantages that family businesses might face?

Why do you think some family businesses can last for many generations?

What qualities does a person need to have to run their own business?

Why do some people prefer to work for themselves rather than for a

company?

What role do small and family businesses play in the economy/society?

Do you think it's better to work for a large company or a small family business?
Why?

How can the government support small and family businesses?

How are family businesses adapting to the modern world (e.g., using technology)?

12-Describe a friend from your childhood

You should say

Who this person is

Where and how you met each other

What you often did together

And explain what made you like him/her

Part 3

Do you still keep in touch with your friends from childhood? Why or why not?

How important is childhood friendship to children?

What do you think of communicating via social media?

Do you think online communication through social media will replace face-to-face communication?

What's the difference between having younger friends and older friends?

Has technology changed people's friendships? How?

13- Describe a famous person you would like to meet

You should say

Who he/she is

How you knew him/her

How/where you would like to meet him/her

And explain why you would like to meet him/ her

Part3

Why do some fans blindly worship celebrities?

Is it unhealthy to spend money chasing celebrities?

Can idolizing someone motivate people to improve themselves?

Do celebrities deserve privacy despite their public status?

How can celebrities use their fame to help society?

How did people become famous in the past compared to now?

Is it easier to become famous today than before? Why?

14-Describe a person you know who loves to grow plants (vegetables, fruits, flowers)

You should say

Who this person is

What he/she grows

Where he/she grows them

And explain why he/she enjoys growing plants

Part 3

Why do some people enjoy growing plants?

Is gardening more popular among older or younger generations? Why?

Do you think gardening should be taught in schools? Why/why not?

How does growing your own food (vegetables/fruits) benefit people?

Can gardening improve mental health? How?

How can people in cities grow plants without gardens?

Why are indoor plants becoming so popular in offices/homes?

How does growing plants help the environment?

Do you think more people will grow their own food in the future? Why?

地点

15-Describe a shop/store you enjoy visiting

You should say

What kind of shops it is

Where it is

How often you visit it

And explain why you like to visit it

Part 3

Do people in your country often visit shopping malls?

How have people's shopping habits changed in recent decades?

Do you think shops and shopping malls will disappear in the future?

What are the differences between shopping in street markets and in big shopping malls?

What are the differences between the shopping habits of different age groups?

What are the main advantages and disadvantages of online vs physical stores?

16-Describe a foreign country you would like to stay or work for a short period of time

You should say

Which country it is

How you got to know this country

What you will do there

Why you will stay or work there just for a short period of time

Part3

Why do people sometimes go to other cities or other countries to travel?

Is it good for young people to have the experience of living in other countries?

Why are some people unwilling to work in other countries?

What kind of work can young people do in foreign countries?

What is the difference between working in an international company and working in a domestic one?

17-Describe a place with a lot of trees that you would like to visit (e.g. a forest, oasis)

You should say

Where it is

How you knew this place

What it is like

And explain why you would like to visit it

Part3

Why do people like visiting places with trees or forests?

Why are forests important for the environment?

How do forests benefit people in their daily lives?

Do you think people should visit forests more often? Why or why not?

How do forests contribute to combating climate change?

Do you think governments should do more to protect forests? Why?

What are the advantages and disadvantages of developing forests as tourist attractions?

How do human activities, such as logging or farming, affect forests?

18-Describe an unusual but interesting building you would like to visit

You should say

Where it is

What it looks like

Why you think it is unusual and interesting

And explain why you would like to visit it

Part3

Should buildings prioritize functionality over appearance? Why?

Can a building's unusual design affect its popularity?

Should modern cities preserve old buildings? Why?

Do you think a city's buildings affect its vibe or atmosphere?

How might buildings look like in 50 years?

Should public buildings (e.g., libraries, hospitals) have creative designs?

Why do some people choose to build houses by themselves?

19-Describe a city that you have been to and would like to visit again

You should say

When you visited it

What you did there

What it was like

And explain why you would like to visit it again

Part 3

What makes a city attractive to tourists?

How has tourism impacted popular cities in recent years?

What are the key differences between living in a city and in the countryside?

How do you think city life affects people's lifestyles and mental health?

What transportation problems do many big cities face today?

How can cities become more environmentally friendly?

How might smart technology change cities in the future?

Do you think working remotely will reduce the importance of cities?

20-Describe a place in your country that you would like to recommend to visitors/travelers

You should say

What it is

Where it is

What people can do there

And explain why you would like to recommend it to visitors/travelers

Part 3

Is it important to take photos while traveling?

Can you trust other people's travel journals on the Internet?

What factors affect how people feel about traveling?

Will you go to a foreign country to travel because of the distinct landscape?

How can tourists have a good travel experience?

What kinds of comments do travelers typically leave online after a trip?

21-Describe your favorite place in your house where you can relax

You should say

Where it is

What it is like

What you enjoy doing there

And explain why you feel relaxed at this place

Part 3

Why is it difficult for some people to relax?

What are the benefits of doing exercise?

Do people in your country exercise after work?

What is the place where people spend most of their time at home?

Do you think there should be classes for training young people and children how to relax?

Which is more important, mental relaxation or physical relaxation?

22-Describe a quiet place you like to go

You should say

Where it is

How you know it

How often you go there

What you do there

And explain how you feel about the place

Part3

Is it easy to find quiet places in your country? Why?

How do people spend their leisure time in your country?

How does technology affect the way people spend their leisure time?

Do you think only old people have time for leisure?

Why do old people prefer to live in quiet places?

Why are there more noises made at home now than in the past?

物品

23-Describe an item on which you spent more than expected

You should say

What it is

How much you spent on it

Why you bought it

And explain why you think you spent more than expected

Part3

Why do people sometimes spend more money than they planned?

How can people avoid spending too much money?

Do you think advertising influences what people buy?

What kinds of products do young people tend to spend a lot on?

Is it more common for people to overspend now than in the past?

What are the potential consequences of overspending?

Do you think people value expensive items more than cheaper ones?

Do you think it is important to save money? Why?

24-Describe an area/subject of science (biology, robotics, etc.) that you are interested in and would like to learn more about

You should say

Which area/subject it is

When and where you came to know this area/subject

How you got information about this area/subject

And explain why you are interested in this area/subject

Part 3

Where do you learn this science subject?

How do people get scientific knowledge nowadays?

What do you think is the most important invention in the 21st century? Why?

How science has influenced our daily lives?

What are some potential drawbacks or negative consequences of scientific advancements?

What can individuals do for new inventions or research?

What scientific development would you like to see in the future?

25-Describe a toy you had in your childhood

You should say

When you got the toy

Who gave you the toy

What it was like

And explain how you felt about it

Part3

What are the differences between toys nowadays and toys in the past?

Do you think toys are important for children's development? Why?

What kinds of toys do you think are most beneficial for children?

Should boys and girls play with the same types of toys?

Why do some parents buy too many toys for their children?

How do you think a child's upbringing (upbringing) affects the choice of toys?

What role do toys play in a country's culture?

What are the advantages and disadvantages of electronic toys?

Do you think traditional toys will disappear in the future?

Why do some people keep their childhood toys?

Is it better for children to play with toys alone or with other kids?

26-Describe an advertisement you have seen that introduced a well-known product

You should say

When you saw the advertisement

Where you saw the advertisement

What the product was

And explain how you felt about it

Part 3

Do you think advertisements have a significant impact on consumer behavior?

What are the advantages and disadvantages of advertising on social media?

How do you think advertisements affect children differently from adults?

What role do you think the government should play in regulating

advertisements?

Do you think the future of advertising will be more personalized?

How do you feel about the amount of advertising on television these days?

Do you think it's fair for companies to spend a lot of money on advertising?

In what ways do advertisements influence people's lifestyles?

How important is it for advertisements to be honest and accurate?

What impact do you think online advertising has on traditional media?

27-Describe a wild animal that you want to know more about

You should say

What it is

When you saw it

Where you saw it

And explain why you want to know more about it

Part3

How do people in your country generally feel about wild animals?

What are the benefits of learning about wild animals?

What are the main threats to wild animals in your country? / Why are many wild animals endangered?

What measures can be taken to protect endangered animals?

What is your opinion on zoos?

Some people argue that keeping animals in zoos is cruel. What do you think?

How might technology help us learn about and protect wild animals in the future?

Do you think future generations will be more or less interested in wild animals? Why?

28-Describe an important old thing that your family has kept for a long time

You should say

What it is

How/when your family first got this thing

How long your family has kept it
And explain why this thing is important to your family

Part3

What kinds of things do families in your country like to keep for a long time?
How do older and younger generations in a family differ in their attitudes towards keeping old objects?
Why are museums important for a country?
What are the pros and cons of putting precious ancient objects in museums?
Do you think it's better to see an object in a museum or in its original place?
How can children be taught to appreciate history?
Why is it important for people to learn about the history of their own country?
In what ways do old objects help us understand history?
What factors determine whether an object is worth preserving?
How can we decide which historical items are important enough to be preserved for the future?

29-Describe a natural talent (sports, music, etc.) you want to improve

You should say
What it is
When you discovered it
How you want to improve it
And how you feel about it

Part 3

Which do you think is more important for success, natural talent or hard work?
Can someone without natural talent still succeed in a field like sports or music?
Do you think people are born with talents, or can they be developed?
How can parents or teachers help children discover their talents?
At what age do you think people usually discover their talents?

Is it necessary for everyone to find a talent?

Do you think some talents are more valued in society than others?

How has the internet helped people to develop their talents?

Do you think schools do enough to help students develop their talents?

30-Describe a movie you watched recently and would like to watch again

You should say

What type of movie it was

What it was about

Where you watched it

And explain why you would like to watch it again

Part 3

Where do people normally watch movies?

What are the differences between watching movies at home and in a cinema?

Are actors or actresses important to movies? Why?

Why are there fewer people going to the cinema to watch movies nowadays?

What makes a movie a blockbuster?

Why do people of different ages like different types of movies?

31-Describe a story or novel you have read that you found interesting

You should say

When you read it

What the story or novel was about

Who wrote it

And explain why it was interesting

Part3

Do you prefer to read e-books or printed books?

What kinds of novels are suitable for a film adaptation?

How does technology help people tell stories?

Why are mystery novels so popular nowadays?

Is there any difference between the popular novels now and those in the past?

Why do some people prefer reading novels to playing computer games in this digital world?

What are the differences between reading stories and listening to stories?

What kinds of stories do children like?

What kind of books(non-fiction) do Chinese people like to read?

32-Describe a sports event you would like to watch

You should say

What it is

Who you want to watch it with

Why you want to watch it

And explain how you feel about it

Part 3

Why do people enjoy watching sports events?

What kinds of sports events are broadcast on TV or other media in your country?

Do you think watching sports events is more enjoyable in person or on TV?

How have sports events changed over the years?

How do sports events benefit a city or country?

Should governments invest more in hosting international sports events?

What are the possible negative effects of hosting large sports events?

Does encouragement and applause from the audience have an impact on athletes? What are the impacts?

Should children be encouraged to watch sports events? Why or why not?

33-Describe something important that has been kept in your family for a long time

You should say

What it is

When your family had it

How your family got it

And explain why it is important to your family

Part3

What things do families keep for a long time?

What's the difference between things valued by people in the past and today?

In your opinion, is it more important to preserve the physical object itself, or the stories and memories associated with it?

In the age of digital photos and cloud storage, do physical photographs, letters, or diaries still hold the same sentimental value? Why or why not?

What is the difference between objects kept in a family and objects displayed in a national museum? What kinds of things are kept in museums?

What might be lost, and what might be gained, as we move from preserving physical objects to preserving digital information?

In a consumer society where new things are constantly being bought and discarded, what makes some objects “timeless” or worthy of being kept forever?

34-Describe something that you can't live without (not a computer or a phone)

You should say

What it is

What you do with it

How it helps you in your life

And explain why you can't live without it

Part3

How do you define a “necessity” in modern life? Have the things people consider essential changed over time?

Why do you think people in different cultures or from different generations might have very different ideas about what they “can't live without”?

Do you think advertising and social media influence what people feel they need to own?

Why do people often form strong emotional attachments to certain objects, even if they are not valuable?

Do you think the desire to own the latest version of things (like cars or clothes) is a positive driver of the economy?

What are the environmental impacts of our collective desire to own more and newer things?

With the rise of digital services (like streaming music, e-books), are physical objects becoming less important?

Will we own fewer things in the future?

Can you compare the benefits and drawbacks of relying on a single, multifunctional device (like a smartphone)?

Do you think people's ability to solve problems or be creative is weakened if they become too reliant on specific tools or gadgets?

35-Describe a program or app on your computer or phone

You should say

What it is

When/how you use it

Where you found it

And explain how you feel about it

Part3

What are the differences between old and young people when using apps?

Why do some people not like using apps?

Which phone app is the most popular in your country?

Do you think parents should limit the time that their children spend on the phone?

Do you think people depend on phone apps too much?

Do you think some apps will help people to study?

36-Describe a piece of technology (not a phone) that you would like to own

You should say

What it is

How much it costs

What you will use it for

And explain why you would like to own it

Part3

What are the differences between the technology of the past and that of today?
Do you like to use new technology?
Does technology deeply affect people's lives?
Is there any difference between technology in cities and in small towns?
Do you agree that men are more obsessed with new technology than women?
How to teach the older generation to use new technology?
Do you think that technology always has positive effects?

37-Describe a story (e.g. a fairy tale) you have read recently

You should say

What it is about

When you read it

Whether you liked it

And explain what you have learned from it

Part3

Why do you think people of all ages enjoy listening to or reading stories?

Why do most children like listening to stories before bedtime?

What roles do stories (like fairy tales or fables) play in a child's development?

Should parents or teachers be selective about the stories they tell children?
Why or why not?

How can traditional stories help to preserve a culture's history and values?

Do you think the stories popular today are different from those popular in the past? In what ways?

Can stories ever have a negative influence on people? How so?

Do you think reading a story from a book is a better experience than watching its film adaptation? Why?

What makes a story memorable or powerful in your opinion?

38-Describe a movie you watched recently that you felt disappointed about

You should say

When it was

What it was about

Why you decided to watch it

And explain why you felt disappointed about it

Part3

Do you believe movie reviews?

Do you think online review platforms (like Douban) give audiences too much power to influence a film's reputation?

Can a film that initially disappoints you later be appreciated for its artistic or technical merits upon a second viewing?

Is there such a thing as an objectively "bad" movie, or is it always a matter of personal taste?

Is it fair to judge a film based on its box office success or award wins? Why or why not?

What do you think is more important for a film's success: a famous director, popular actors, or a brilliant script?

How has the shift from watching movies in cinemas to streaming them at home changed our experience and expectations of films?

39-Describe a perfect job you would like to have in the future

You should say

What it is

How you knew it

What it is like

And explain why you think it is perfect

Part3

What jobs do children want to do when they grow up?

What should people consider when choosing jobs?

Is salary the main reason people choose a certain job?

Are children inclined to choose the same profession as their parents?

Will people regret their career choices when they are older?

Do you think a person's first job after graduation has a decisive impact on their entire career path? Why or why not?

With the rise of artificial intelligence, which types of jobs do you think will become more popular for the next generation, and which ones might be seen as less desirable?

事件

40-Describe a time when you encouraged someone to do something that he/she didn't want to do

You should say

Who he or she is

What you encouraged him/her to do

How he/she reacted

And explain why you encouraged him/her to do it

Part3

Why do some people refuse to try new things?

How can leaders encourage their employees?

How can parents encourage children to try new things?

How can teachers encourage students effectively?

What are the differences between encouragement from friends and from family?

Is it important to have someone's support when facing challenges?

Do you think some people are better at persuading others?

41-Describe a time you needed to use your imagination

You should say

When it was

Why you needed to use imagination

How difficult or easy it was

And explain how you felt about it

Part3

Do you think adults can be very imaginative?

Do you think imagination is more important for children or for adults? Why?

Do you think imagination is essential for scientists?

How important is imagination for scientific discovery and technological innovation?

What kinds of jobs require imagination?

What subjects are helpful for children's imagination?

In what everyday situations (aside from work or art) do people need to use their imagination?

How can parents and teachers help children develop their imagination?

Do you think people today have less imagination than people in the past because of the internet?

42-Describe a music event that you didn't enjoy

You should say

What it was

Who you went with

Why you decided to go there

And explain why you didn't enjoy it

Part3

What kind of music events are popular today?

What are the differences between live concerts and online concerts?

Why do different people have completely different experiences at the same event?

How can technology be used to improve the experience at large music events?

How has the purpose of attending music events changed compared to the past?

Why might someone prefer listening to recorded music at home over attending a live event?

How do people's music tastes change as they age?

43-Describe a bicycle/ motorcycle/ car trip you would like to go

You should say

Who you would like to go with

Where you would like to go

When you would like to go

And explain why you would like to go by bicycle/motorcycle/car

Part3

Which form of vehicle is more popular in your country, bikes, cars or motorcycles?

Does having a private car offer more than just transportation? Does it symbolize freedom, status, or something else in your culture?

How might the development of autonomous (self-driving) cars change the nature of road trips and travel in general?

Do you think air pollution comes mostly from mobile vehicles?

Do you think people need to change the way of transportation drastically to protect the environment?

How are the transportation systems in urban areas and rural areas different?

Some people argue that the journey itself (the "road trip experience") is more important than the destination. Do you agree?

With the development of high-speed rail and affordable flights, do you think long-distance car or motorcycle trips will become less common in the future?

44-Describe a time when you gave advice to others

You should say

When it was

To whom you gave the advice

What the advice was

And explain why you gave the advice

Part3

Why do you think some people are more willing to accept advice than others?

What makes a piece of advice truly helpful or effective, in your opinion?

Is advice from older people (like parents or elders) generally more valuable than advice from peers? Why or why not?

What qualities do you think a person needs to have to be a good advisor?

Should people always give honest advice, even if it might hurt the other person's feelings?

In what situations is it better to refrain from giving advice, even if you are asked?

How has the internet changed the way people seek and give advice?

Is professional advice (e.g., from doctors, lawyers, financial advisors) always more reliable than advice from friends or family?

Do you think the way people give and receive advice differs between cultures?
Can you give an example?

In your culture, is it common for young people to give advice to their elders?
Why or why not?

Are there any topics in your society where people are particularly hesitant to give or ask for advice (e.g., personal finances, relationships)?

45-Describe an occasion when many people were smiling

You should say

When it happened

Who you were with

What happened

And explain why many people were smiling

Part3

Do you think people who like to smile are more friendly?

Why do most people smile in photographs?

Do women smile more than men? Why?

Do people smile more when they are younger or older?

Why do you think smiling is such a universal human expression across different cultures?

In what situations are people expected to smile, even if they don't genuinely feel happy?

Is it always possible to tell a genuine smile from a polite or forced one? Why or why not?

46-Describe an occasion when you were not allowed to use your mobile phone

You should say

When it was

Where it was

Why you were not allowed to use your mobile phone

And how you felt about it

Part3

In what kinds of places or situations do you think it is most reasonable to restrict mobile phone use? Why?

How do young and old people use mobile phones differently?

Should rules about phone use be the same for children and adults? Why or why not?

What would be the most appropriate age for people to own a mobile phone?

Why do you think some people find it very difficult or stressful to be separated from their phones, even for a short time?

What are the potential benefits of voluntarily taking regular breaks from digital devices?

How have mobile phones changed the way people behave in social settings, like during meals or gatherings?

Is it considered rude to use a phone while someone is talking to you in your culture?

47-Describe a time you received good service in a shop

You should say

Where the shop is

When you went to the shop

What service you received from the staff

And explain how you felt about the service

Part3

What do you think makes good customer service?

How important is customer service for a business's success?

Why do some companies provide poor customer service?

Do you think customer service is better in small shops or large chain stores? Why?

How has customer service changed in recent years?

How can companies train their staff to provide better service?

Do you think employees who provide excellent service should receive higher pay?

How do people in your country usually react when they receive bad service?

What kind of influence can online reviews have on a business?

Do you think people are willing to pay more for better service?

48-Describe an unusual meal you had

You should say

When you had it

Where you had it

Whom you had it with

And explain why it was unusual

Part3

What are some typical foods from your country that people from other countries might find unusual?

How do you decide whether to try a new type of food or not?

Why are more and more people choosing to eat out rather than cook at home?

What kinds of restaurants are most popular in your country? Why?

How important is the 'atmosphere' of a restaurant compared to the food itself?

Why do you think some people like to try unusual or exotic food while others don't?

Do you think it's important to try local food when travelling to a new place? Why?

How can trying unusual food be a positive experience? Are there any potential negative sides?

How have eating habits changed in your country over the last few decades?

What influence has Western food had on Chinese eating habits?

Why do you think some traditional foods are disappearing?

49-Describe a positive change that you made recently in your daily routine

You should say

What the change is

How you changed the routine

Why you think it is a positive change

And explain how you feel about the change

Part3

What are some common positive changes that people make in their lives?
Why do you think some people find it difficult to change their habits?
What is the difference between changing a daily routine and changing a long-term habit?
At what age is it easiest for people to change their habits? Why?
How important is it for people to have a regular daily routine?
Do you think modern lifestyles make it easier or harder for people to stay healthy?
How can technology help people make positive changes in their lives?
What are the negative impacts of technology on people's daily routines?
How can other people (friends, family) influence our habits?
Do you think people are more influenced by their family or by their friends when making changes?
Why do many people fail to keep their New Year's resolutions?
What should you do if you fail to maintain a positive change?

50-Describe a talk you gave to a group of people

You should say

Who you gave the talk to

What the talk was about

Why you gave the talk

And explain how you felt about the talk

Part 3

Why do you think public speaking skills are important for people?
Do you think children should be taught public speaking at school? Why?
In what jobs do you think public speaking is a necessary skill?
How can people improve their public speaking skills?
How might a talk given to children be different from one given to adults?
What are the differences between a talk given in a formal setting and an informal one?
When do people usually have to give a talk or presentation in their lives?
What are the qualities of a good speaker?
Besides the content, what else is important for a successful presentation?

How has technology changed the way people give presentations?

Do you think online webinars and speeches will replace face-to-face talks in the future?

How can technology help people who are nervous about public speaking?

51-Describe a time when you waited for something special

You should say

What you waited for

How long you waited

What you did while waiting

And explain why it was special

Part3

What kinds of things do people usually have to wait for in their lives?

Is waiting always a negative experience? Can it ever be positive?

Do you think people in the past had to wait for things more than people today?

Would you say people are less patient now than they were in the past? Why?

What factors in modern life make people less willing to wait?

How can learning to be patient benefit a person?

What's the difference between waiting for a person and waiting for an event?

How can people make waiting time more enjoyable or productive?

Why do companies sometimes create long waiting lists for their products?

Is it always better for companies to provide immediate service?

What are the benefits and drawbacks for a business if customers have to wait a long time for a product or service?

52-Describe a time you saw something interesting on social media

You should say

When it was

Where you saw it

What you saw

And explain why you think it was interesting

Part3

What are the most popular social media platforms in your country?

Why do you think social media is so popular today?

Do you think social media is more positive or negative for society?

How do people know if the information on social media is true or not?

What kind of things are most popular to share on social media?

How has social media changed the way we get news?

Do you think social media makes people more open-minded or more narrow-minded?

Should there be restrictions on what people can post on social media?

Why do some people prefer not to use social media?

Do you think the popularity of social media will continue in the future?

53-Describe a time when you broke something

You should say

What it was

When/where that happened

How you broke it

And explain what you did after that

Part3

What kind of things are more likely to be broken by people at home?

Is it better to repair broken things or to replace them with new ones?

Why do some people prefer to fix things themselves rather than replace them?

What are the advantages of hand-made clothing items compared to mass-produced ones?

How do children learn about the concept of responsibility?

What should parents do when children break something?

Why do some people try to hide their mistakes?

Do you think people are more careful with expensive things than with cheap things?

In what situations is breaking something considered very serious?

Do you think the way people value objects has changed compared to the past?

What can people learn from making mistakes?

54-Describe an exciting activity you tried for the first time

You should say

What it is

When/where you did it

Why you thought it was exciting

And explain how you felt about it

Part3

Why do some people like to try new activities?

What kinds of new activities are popular among young people in your country?

What are the benefits of trying new things?

Why are some people reluctant to try new activities?

Why do some people enjoy activities that involve a degree of risk?

Should children be encouraged to take risks? Why or why not?

How can people minimize the risks when trying a new adventurous activity?

How have ways of spending leisure time changed compared to the past?

Do you think people have enough leisure time nowadays?

What is the difference between the leisure activities of young people and old people?

How does technology influence how people spend their free time?

55-Describe a time when someone apologized to you

You should say

When it was

Who this person is

Why he or she apologized to you

And how you felt about it

Part3

Why is it important to apologize when you make a mistake?

What makes a sincere apology?

Do you think people apologize more or less often now than in the past?

In what situations is it most difficult to apologize?

How does culture influence the way people apologize?

Are there differences in how people apologize in formal and informal situations?

Do you think men and women apologize differently?

Is it common to apologize in public in your country? (e.g., for public figures)

Why is it sometimes difficult to forgive someone?

What are the benefits of forgiving someone?

Is it always necessary to forgive someone after they apologize?

How do children learn to apologize?

Should parents force their children to apologize?

At what age should children be taught to say sorry?

56-Describe a time when the electricity suddenly went off

You should say

When/where it happened

How long it lasted

What you did during that time

And explain how you felt about it

Part3

How has electricity changed people's way of life?

Why is it important for a country to have a stable power supply?

Should people be better prepared for power outages? How?

What are the common causes of power cuts in cities and in the countryside?

Do you think people are too dependent on technology today?

What are the negative effects of this dependence?

How can people reduce their reliance on electronic devices?

Do you think this dependence will increase in the future?

Why are many countries trying to switch to renewable energy sources?
What are the challenges of using solar or wind power instead of traditional sources?
How can individuals contribute to saving electricity?
Do you think we will solve the problem of energy storage in the future?

57-Describe an interesting traditional story

You should say

What the story is about
When/how you knew it
Who told you the story
And explain how you felt when you first heard

Part3

Why are traditional stories important to a culture?
What can people learn from traditional stories or fairy tales?
Do you think traditional stories are still relevant for children today?
How are traditional stories passed down from one generation to the next?
Why have people always told stories throughout history?
What are the differences between stories told to children and stories told to adults?
Do you think stories from different cultures share common themes? Can you give an example?
How are traditional stories being kept alive in the modern world?
What is the impact of turning traditional stories into movies or TV shows?
Do you think it's acceptable to change a traditional story for a modern audience? Why/why not?
Are there any traditional stories from your country that are well-known internationally?
Why do you think some stories become globally popular?
Should parents tell their children traditional stories from other cultures?

58-Describe a long journey you had

You should say

Where you went

Who you had the journey with

Why you had the journey

And explain how you felt about the journey

Part3

Why do some people prefer long journeys?

What are the advantages and disadvantages of long-distance travel?

How do people usually prepare for a long journey?

Do you think people's attitudes towards long journeys have changed over time?

What are the most common modes of transportation for long journeys in your country?

What are the differences between travelling by train and by plane?

Why is tourism important to a country?

What are the positive and negative effects of tourism on a local culture?

Why do you think people like to visit different places?

What problems can people experience during a long journey?

How can people make good use of their time on a long journey?

Some people say the journey is more important than the destination. Do you agree?

59-Describe a great dinner you and your friend or family members enjoyed

You should say

What you had

Who you had the dinner with

What you talked about during the dinner

And explain why you enjoyed it

Part3

How have eating habits in your country changed compared to the past?
Do people in your country prefer to eat at home or eat out? Why?
How important is it for families to eat meals together?
Do you think the tradition of family meals is disappearing? Why or why not?
What are the differences between dining with family and dining with friends?
Why are more people becoming overweight nowadays?
Do you think governments should regulate unhealthy food? How?
How can we encourage children to eat more healthily?
How has technology changed the way people eat? (e.g., food delivery apps)
What are the advantages and disadvantages of fast food?

60-Describe the time when you first talked in a foreign language

You should say

Where you were

Who you were with

What you talked about

And explain how you felt about it

Part3

At what age should children start learning a foreign language?
Is it better to learn a foreign language at a young age or as an adult? Why?
What do you think is the most difficult part of learning a foreign language?
How has technology changed the way people learn languages today compared to the past?
Do you think methods like language immersion (e.g., living in a country where the language is spoken) are effective?
What are the main benefits for an individual of speaking more than one language?
Why do you think English has become such a widely used global language?
Do you think another language might become as globally important as English in the future?

61-Describe a time when you lost your way

You should say

Where you were
What happened
How you felt
And explain how you found your way

Part3

Do you think some people are naturally better at finding their way than others?

How can people improve their sense of direction?

Is having a good sense of direction an important skill? Why?

How has technology changed the way people find their way?

What are the advantages and disadvantages of using GPS or digital maps?

How do people usually feel when they get lost?

What is the best thing to do when someone gets lost?

Why do some people enjoy getting lost in a new place?

Do you think it's easier to get lost in a city or in the countryside? Why?

62-Describe a time when you told your friend an important truth

You should say

Who your friend is

What the truth was

What your friend's reaction was

And explain why you think it was important to tell your friend the truth

Part3

In general, do you think it's always important to tell the truth? Why or why not?

What are the differences between telling the truth to a close friend and to a parent?

Is it easier for people to tell the truth now compared to the past?

When might it be better not to tell the complete truth?

What could be the consequences if people always tell the truth without considering others' feelings?

How can parents and teachers teach children about the importance of

honesty?

Why do you think some people choose to lie, even when they know it's wrong?

How has the internet and social media affected the way people are honest with each other?

If a person loses someone's trust by lying, how can they regain it?

Why is telling the truth important for a government or the media?

63-Describe a trip you would like to make again

You should say

Where and when you went

Who you made the trip with

What you did during the trip

And explain why you would like to make the trip again

Part3

Why do people like to travel?

What's the difference between traveling alone and traveling in a group?

Do you think people's travel preferences change as they age?

What are the positive impacts of tourism on a local area?

What are the negative impacts of too many tourists?

How can we reduce the negative impacts of tourism?

How have people's travel habits changed compared to the past?

Why do some people prefer to visit the same place repeatedly?

How important is it to learn about the local culture before visiting a place?

What are the benefits of trying local food when traveling?

64-Describe an interesting decision that you and your friend made together

You should say

When and why you made the decision
What the decision was about
Why you made the decision together
And explain why you think it was interesting

Part 3

Why do you think it's important to make decisions together with friends?
How do you think the process of making decisions together can help strengthen a friendship?
What role does trust play in making decisions with friends?
How do you think communication skills impact the decision-making process with friends?
What are some challenges you might face when making decisions with friends?
How do you think the personalities of the friends involved can affect the decision-making process?
What impact do you think shared experiences have on the decisions you make with friends?
How do you think making decisions together can help in solving problems?

65-Describe a time when someone gave you something that you really wanted

You should say
What it was
When you received it
Who gave it to you
And explain how you felt when the person gave it to you

Part 3

What types of gifts do young people prefer to receive as rewards?
How can employers effectively reward and recognize their employees?
What are some creative and non-monetary ways employers can reward and appreciate their employees?

How can children make the most of their allowance money?

How can parents or guardians teach children about responsible spending and saving habits with their allowance money?

What are some reasons why people enjoy shopping more now compared to the past?

What are some factors that have contributed to the shift in people's attitudes towards shopping in recent years?

Do you believe that shopping has a positive impact on a country's economy?

Part2 & 3 新题

人物

66-Describe a person who met difficulties but succeeded

You should say

Who this person is

What difficulties he met

How he overcame the difficulties

And explain how you feel about him

Part3

What personal qualities do people usually need to succeed in life?

Is hard work more important than talent for success?

Do you think successful people are born or made?

Why do some people give up easily when facing difficulties while others don't?

How can schools help students learn to deal with failure?

Is it true that young people today face fewer difficulties than previous generations?

Does the definition of success differ between cultures?

Are successful business people always happy?

Do you think money and fame are the main measures of success in modern society?

How important is family support when someone is trying to overcome

difficulties?

In your country, do people usually succeed through their own efforts or through connections?

Can failure sometimes be more valuable than success? Why or why not?

67-Describe a person who is good at learning and speaking new languages

You should say

How you got to know him/her

How he/she learns a new language

What languages he/she can speak

And explain how you feel about him/her

Part3

Why do some people learn languages faster than others?

Is it easier for children to learn a new language than for adults? Why?

What are the most effective ways to learn a new language?

Do you think everyone should learn a second language?

Does speaking a foreign language help people get better jobs?

Do you think technology helps people learn languages?

How important is practicing speaking compared to reading and writing?

Why do some people want to learn multiple languages?

68-Describe a person you know who would like to choose a career in the medical field (e.g. a doctor, a nurse)

You should say

When you knew him/her

When he/she started to think about that

What he/she would like to do

And explain why he/she would like to choose this career

Part3

Why do many young people want to become doctors or nurses?

Is it difficult to get into medical school in your country?
What qualities should a good doctor have?
What is more important for a doctor, experience or empathy?
Do doctors in your country earn a high salary?
Should doctors be paid more than other professionals? Why?
Is being a doctor more challenging now than in the past?
Do you think the number of medical workers is enough in your country?

69-Describe a person you know who has a successful business

You should say

Who this person is
How you got to know him/her
Why and how he/she started the business
What business he/she does
And explain why you think the business is successful

Part3

What qualities does a person need to have to run a successful business?
Is it easy to start a business in your country?
Why do some people want to start their own business instead of working for someone else?
What are the most popular types of small businesses in your country?
Do you think family businesses are common in your country?
What are the advantages and disadvantages of running a family business?
Do young people prefer to start online businesses or physical stores?
How does technology help people start a business today?
Is it necessary to have a lot of money before starting a business?

70-Describe a person who works in a successful company

You should say

Who he/she is

What he/she does in the company

What business the company does

And explain why you think it is a successful company

Part3

What makes a company successful in your opinion?

Is it easy to get a job in a successful company in your country?

What qualities do successful companies look for in employees?

Do you think large companies are always more successful than small ones?

What is the difference between working for a successful company and a small startup?

Do employees in successful companies get paid more than those in ordinary companies?

Is it better to work for a successful company or to start your own business?

How do successful companies keep their employees motivated?

Do you think company culture is important for success?

地点

71-Describe a place you would like to visit in your free time

You should say

Where it is

What you would do there

How long you would stay there

And explain why you would like to visit it

Part 3

Why do you think some people choose not to travel abroad?

What are the benefits of traveling to a new place?

Do you prefer to visit a place alone or with others? Why?

What kind of places do people in your country like to visit in their free time?

Do you think tourism can harm local culture and environment?

How do people decide which place to visit when they have limited time and money?

Do you think it is better to visit a place more than once or always go somewhere new?

72-Describe an important river/lake in your country

You should say

Where it is located

How big/long it is

What it looks like

And explain why it is important

Part3

How do rivers and lakes benefit a country's development?

What are the main causes of water pollution in rivers and lakes?

What should the government do to protect rivers and lakes?

Do people in your country enjoy spending time near rivers or lakes?

What activities can people do on or near rivers and lakes?

Why do many ancient cities and civilizations develop near rivers?

Do you think rivers and lakes are as important today as they were in the past?

How does climate change affect rivers and lakes?

Should industries be banned from locating near important rivers?

Do you think tourism on rivers and lakes can cause environmental damage?

73-Describe a tall building you like or dislike

You should say

Where it is

What it looks like

What it is used for

And explain why you like/dislike it

Part 3

Are there many tall buildings in your country?

Do you think tall buildings are a good solution to housing shortages in big cities?

What are the disadvantages of living or working in a very tall building?

Do people in your country prefer to live in tall buildings or low-rise buildings?

Why?

How do tall buildings affect a city's appearance or image?

Do you think it is important for tall buildings to be designed with environmental protection in mind?

Would you say that tall buildings are a symbol of a modern and developed city?

74-Describe a boring place

You should say

Where it is

Who you went there with

What you did there

And explain why you think it is a boring place

Part3

What kinds of places do people in your country usually find boring?

Do children and adults find the same places boring?

Do you think museums can be boring for some people? Why?

How can a boring place be made more interesting?

Do you think the design of a building or space affects whether people feel bored there?

What is the difference between a quiet place and a boring place?

Why do some young people find historical places boring?

Do you think a place can become boring if you visit it too many times?

Would you choose to live in a boring but safe place or an exciting but dangerous place?

75-Describe a home that you like to visit but do not want to live in

You should say

Where it is

What it is like

Why you like to visit it

And explain why you would not like to live there

Part3

What are the differences between houses in cities and houses in the countryside?

Why do some people prefer to live in modern apartments rather than traditional houses?

Do young people and old people have different preferences when it comes to housing?

What factors do people consider when choosing a place to live?

Why do some people choose to live in very small homes?

Is it better to live in a house that looks beautiful or one that is practical?

Do you think people's dream homes change as they get older?

Why do some people like to visit historic houses or palaces?

What are the disadvantages of living in a very large house?

Do people in your country prefer to buy a home or rent one?

物品

76-Describe a special cake you received from others

You should say

When/where it happened

What it was like

Who you got the cake from

And explain why it was a special cake

Part 3

What are the differences between special food in China and other countries?

Is there any food in your country that is eaten at special times or on special occasions?

Why are some people willing to spend a lot of money on meals on special days?

Do you think it's good to communicate when eating with your family?

In your country, do people nowadays cook at home as frequently as people did in the past?

Do you think homemade food is more special than food bought from a shop?

Why?

What role does food play in building relationships between people?

77-Describe a long-term goal/ambition you would like to achieve

You should say

How long you have had this goal/ambition

What the goal/ambition is

How you will achieve it

And explain why you set this goal

Part3

Do you think people should set long-term goals or short-term goals? Why?

Why do some people achieve their goals while others don't?

Is it necessary for everyone to have a clear goal in life?

Do young people and old people set different types of goals?

Should parents set goals for their children, or should children set their own goals?

Is it wise to change your goal halfway if you meet difficulties?

Do people in your country usually set realistic goals or very ambitious ones?

Does society put too much pressure on young people to achieve big goals?

How do cultural differences affect what people see as important goals?

Is it easier for wealthy people to achieve their long-term goals than for poor people?

78-Describe an advertisement with a famous person in it

You should say

Who the person is

Where you can see it

What the advertisement is about

And explain how you feel about the advertisement

Part3

Why do companies use famous people in their advertisements?

Do people buy products just because a celebrity endorses them?
What are the disadvantages of using celebrities in advertising?
Are there any risks for a company if the celebrity gets into a scandal?
Should there be stricter laws to regulate celebrity endorsements?
Do young people and older people respond differently to celebrity ads?
Is it more effective to use a famous athlete or a movie star in an advertisement?
What other methods do companies use to make advertisements attractive besides using celebrities?
Do you think product placement in movies and TV shows is more effective than traditional ads?

79-Describe a food that people eat on special occasions/events

You should say

What it is

What the special event/occasion is

How it is cooked/made

And explain why people eat it on that special occasion/event

Part3

What are some common special occasion foods in your country?

Why do people eat different foods on special occasions compared to ordinary days?

Do you think traditional special occasion foods are becoming less popular among young people?

Do people in your country spend more money on food for special occasions?

Is it important to prepare special occasion foods at home, or is it acceptable to buy them from a shop?

Do you think the meaning of special occasion foods has changed over time?

What role do special foods play in family gatherings and celebrations?

How do modern lifestyles affect the way people prepare traditional special occasion foods?

Do you think it is important to teach children how to make traditional special occasion foods?

Do you think globalization has influenced the special occasion foods people eat in your country?

80-Describe a traditional product in your country

You should say

What it is

When you tried this product for the first time

What it is made of

And explain how you feel about it

Part3

What traditional products is your country famous for?

Do young people in your country like traditional products?

Why are some traditional products losing their popularity?

What can the government do to protect traditional products?

Are traditional products more expensive than modern ones in your country?

Do people buy traditional products as gifts for special occasions?

Do you think online shopping has helped or harmed traditional product businesses?

Why do some people prefer to buy traditional products instead of factory-made ones?

81-Describe something that was broken in your home and then repaired

You should say

What it is

How it was broken

How you got it repaired

And how you felt about it

Part3

What are the most common things that break in people's homes?

Why do some people prefer to buy new things instead of repairing broken

ones?

Do you think it is environmentally important to repair things rather than replace them?

Do you think learning basic repair skills is useful for young people?

Should schools teach students how to repair everyday items?

Why do some people enjoy repairing things as a hobby?

How has the availability of online repair tutorials changed the way people fix things at home?

Do you think manufacturers intentionally make products difficult to repair?

82-Describe an interesting video

You should say

When and where you watched it

What it is about

Why you watched it

And explain how you feel about it

Part3

What types of videos are most popular in your country?

Why do so many people enjoy watching short videos on their phones?

Do you think watching videos is a good way to spend free time?

Do you think people watch more videos today than they did five years ago?

Do you think educational videos are more effective than traditional classroom teaching?

Do you think children should be supervised when watching videos online?

How do video recommendation algorithms affect what people watch?

Do you think people spend too much time watching videos every day?

What makes a video interesting or engaging to watch?

83-Describe a new law you would like to introduce in your country

You should say

What law it is

What changes this law brings

How you came up with the new law

And explain how you feel about this new law

Part3

Why are laws important in a country?

Do you think the general public should be consulted before a new law is passed?

What is the difference between a good law and a bad law?

Do you think all laws are fair to every citizen?

Why do some people break the law even when they know the consequences?

Do you think punishments for breaking the law should be stricter in your country?

Why do some laws need to be changed or removed over time?

How does technology create the need for new laws?

How do new laws affect the daily lives of ordinary people?

Would you ever consider becoming involved in making or changing laws, for example as a politician or activist?

84-Describe a law on environmental protection

You should say

What it is

How you first learned about it

Who benefits from it

And explain how you feel about this law

Part3

How do people in your country usually learn about new environmental laws?

Are environmental laws in your country strictly enforced?

What makes an environmental law effective or ineffective?

Who benefits the most from environmental protection laws — the government, businesses, or ordinary citizens?

What can ordinary people do to support environmental laws in their daily

lives?

Why do some people or companies break environmental laws even when they know the consequences?

What new environmental laws do you think will be needed in the next 10 years?

What kinds of rules do schools in China have?

Do you think school rules are important?

What are the rules people should obey at work?

85-Describe a story/book with animals in it

You should say

What animals are in it

What the story/book is about

Why you read the story/book

And explain what you think of this story/book

Part3

Why do children like stories with animals?

What can children learn from stories that have animal characters?

Do you think adults can also benefit from reading animal stories?

Are there any traditional animal stories in your country?

Why are some animals (like lions, wolves, or rabbits) commonly used in stories?

Do people today prefer realistic animal stories or fantasy ones (e.g., talking animals)?

Should parents encourage their children to read animal stories rather than watch cartoons?

Do animal stories help people to understand real animals better?

Why do some authors use animals to describe human society?

What is the difference between animal stories for children and those for adults?

Can animal stories be used to teach moral lessons effectively?

86-Describe a TV show / online program you have watched recently

You should say

What it is

What it is about

How often you watch it

And explain how you feel about it

Part 3

What are the most popular types of TV shows in your country?

Do people in your country spend too much time watching TV or online programs?

How have online programs changed the way people watch videos compared to traditional TV?

Do you think children learn more from educational programs or from entertainment shows?

Why do some people prefer to watch short videos instead of long TV shows?

Do older people and young people watch different types of programs?

Should the government regulate what is shown on TV and online programs?

How do advertisements in TV shows affect people's watching experience?

Will traditional television disappear in the future because of online streaming services?

事件

87-Describe a live sports event you watched and liked

You should say

What it was

When and where you watched it

Who you watched it with

And explain why you liked it

Part3

Why do many people enjoy watching live sports events?

What is the difference between watching a sports event live and watching it on TV?

Do you think watching sports at home is more comfortable than going to a stadium?

Why do some people prefer to watch sports alone rather than with others?

What kinds of sports events are most popular in your country?

Do you think the government should spend money on hosting large sports events?

What are the benefits of hosting an international sports event like the Olympics or the Asian Games?

Do you think live sports events are too expensive for ordinary people to attend?

88-Describe a time when you changed an important opinion of yours

You should say

When you changed your opinion

What the original opinion was

Why you changed it

And explain how you felt about the experience

Part3

Do people often change their opinions as they get older?

Is it easier for children or adults to change their minds?

What makes it difficult for someone to change an important opinion?

Why do some people refuse to change even when presented with facts?

Should people be encouraged to question their own beliefs?

Does the media influence people's opinions too much?

How does family or education shape a person's important opinions?

When forming an important opinion, should people rely more on emotion or logic?

Do you think people today are more open to changing their minds than in the past? Why?

89-Describe a time when you were stuck in a traffic jam

You should say

When it happened

Where you were stuck

What you did while waiting

And explain how you felt in the traffic jam

Part3

What are the main causes of traffic jams in big cities?

How does traffic congestion affect people's daily lives and work?

Is traffic jam more of a problem in your country now than in the past?

What can the government do to reduce traffic jams?

Why do many people still choose to drive even when public transport is available?

What can individuals do to help reduce traffic congestion?

How do traffic jams affect people's emotions and mental health?

Why do some people become very angry in traffic jams while others stay calm?

Can technology like real-time navigation apps or self-driving cars help solve traffic jams?

Do you think traffic problems will get better or worse in the future? Why?

90-Describe a special day out that cost you little money/didn't cost you much

You should say

When the day was

Where you went

How much you spent

And explain how you feel about the day

Part3

What kinds of activities do people in your country like to do for free or on a small budget?

Do you think it is necessary to spend a lot of money to have a good time?

Why do some people prefer expensive leisure activities even when cheaper options are available?

Do young people and older people spend money differently on leisure activities?

Do you think governments should provide more free public spaces for recreation?

How has the cost of leisure activities changed in recent years in your country?

Do you think children today miss out on simple, low-cost fun compared to the past?

91-Describe an important decision made with the help of other people

You should say

What the decision was

Why you made the decision

Who helped you make the decision

And how you felt about it

Part3

What are some important decisions that young people have to make?

Do you think some people find it harder to make decisions than others? Why?

What's the difference between making a decision alone and making a decision with others?

How can people improve their decision-making skills?

Who do people usually turn to for advice when making important decisions? (e.g., family, friends, experts)

What are the potential risks of relying too much on others' opinions when making a decision?

What kind of decisions require advice from professionals?

How has the internet changed the way people seek information to make decisions?

Do you think the way people make decisions changes as they get older?

In your culture, is it common for families to be involved in important personal decisions?

Do you think there are differences in how men and women make decisions?

Is it important to consider the long-term consequences of a decision?
Do you think it's possible to make a "perfect" decision? Why/Why not?

92-Describe a time when you received a message or email and it took you a long time to reply

You should say

- Who this person was
- What the message/email was about
- Why you spent a lot of time replying
- And explain how you felt about the experience

Part3

Do you think people today reply to messages more quickly or more slowly than in the past?

Why do some people take a long time to reply to messages?

Is it rude to reply late to a message?

What are the differences between replying to an email and replying to a text message?

Do you think emails will eventually be replaced by instant messaging apps?

In a work environment, how long is it acceptable to take before replying to an email?

What problems can happen if people reply too slowly to work messages?

Does the pressure to reply quickly cause stress? Why or why not?

93-Describe a thing you did to learn another language

You should say

- What language you learned
- What you did
- How it helped you learn the language
- And how you felt about it

Part3

What is the most difficult part of learning a foreign language?

Is it better to learn a language in a classroom or by using the language in real

life?

Do children learn languages faster than adults? Why?

What are the benefits of learning a second language?

Do you think technology (e.g., language learning apps) has made learning a language easier?

Should schools start teaching foreign languages at a very young age?

Why do some people feel nervous or shy when speaking a foreign language?

Is it necessary to travel to a country where the language is spoken to really learn it well?

What is more important for learning a language: vocabulary or grammar?

Do you think English will remain the most important global language in the future?

94-Describe a challenging technological problem you faced

You should say

What the problem was

When and where you faced it

How challenging it was

And explain how you solved it

Part3

What are the most common technological problems people face in their daily lives?

Do older people find technological problems more challenging than young people?

Should schools teach students how to solve practical technological problems?

Why do some people give up easily when they face a technological problem?

Do you think technology is becoming too complicated for ordinary people?

How has the internet made it easier to solve technological problems?

Are there any disadvantages to relying on online tutorials and videos to fix technological problems?

Will future technology be more user-friendly or more complex?

95-Describe a time when you worked in a group

You should say

What you did

Who you worked with

What problems you faced

And explain why you worked in the group

Part 3

Why is teamwork important in the workplace/school?

Do you think people prefer working alone or in a group? Why?

In what situations is it better to work alone rather than in a group?

How can employers encourage better teamwork among employees?

What skills can people develop by working in a group?

Do you think modern technology (e.g., social media) has made it easier or harder for people to interact face-to-face?

Do you think people will rely more on virtual teamwork (e.g., remote work) in the future?

Do you think young people today have fewer real-life social interactions than in the past?

How important is it for families to spend time together?

96-Describe a plan that you had to change recently

You should say

When this happened

What made you change the plan

What the new plan was

And how you felt about the change

Part3

Why do people often need to change their plans?

Do you think it is important to make plans in advance?

What are the common reasons why people change their plans?

Do you think children are good at changing their plans when something

unexpected happens?

How do adults and children react differently to plan changes?

Do you think older people find it harder to accept changes to their plans than young people?

Is it better to have a detailed plan or a flexible plan?

What are the advantages of being able to change plans quickly?

Do you think technology helps people adjust their plans more easily?

97-Describe a time when you got up early

You should say

When it was

What you did

Why you got up early

And how you felt about it

Part3

Why do some people find it difficult to get up early?

Do you think getting up early is good for people's health?

Do people in your country usually get up early or stay up late?

Do you think older people get up earlier than young people? Why?

Why do some successful people say that waking up early is the key to success?

Do you think getting up early is more common in rural areas than in cities?

How does the season affect what time people get up?

What time do most school children in your country get up?

Should schools start later so that students can get more sleep?

98-Describe a time when a person did something to help you solve a problem

You should say

Who the person is

What the problem was

How he/she helped you

And explain how you felt about the experience

Part3

Do children depend on adults for help too much nowadays?

Should parents help their children with their homework?

Do people prefer to turn to family members or friends for help?

Is it common in your country to ask strangers for help?

What are the advantages of seeking professional help?

What are the most important problem-solving skills for young people?

Do you think technology has made people less capable of solving problems on their own?

Why do some people refuse to ask for help even when they need it?

In the workplace, should employees try to solve problems alone first or ask colleagues immediately?

What can managers do to encourage teamwork and mutual help among staff?

Do you think people in cities are less willing to help others than those in rural areas?

99-Describe a time when you had a problem with using an electronic device

You should say

When it happened

Where it happened

What the problem was

And explain how you solved the problem at last

Part3

What are the most common problems people have with electronic devices?

Do people rely too much on electronic devices nowadays?

Should companies make electronic devices that are easier to repair?

Is it better to try to fix an electronic device yourself or take it to a professional?

Do older people have more difficulty using electronic devices than younger people?

Why do some people get frustrated easily when their electronic devices stop working?

Do you think electronic devices are designed to break down after a few years?

How has the internet changed the way people solve problems with their electronic devices?

What electronic device do people find the most difficult to use?

Do schools need to teach children how to use electronic devices properly?

Are there any disadvantages to making electronic devices too smart or automated?

Will electronic devices become more reliable in the future, or more fragile?
